And on motion of Supervisor Hahn, unanimously carried, the following order is hereby adopted:

WHEREAS, on August 29, 1967, there was presented to the Board of Supervisors of the County of Los Angeles, at a regular meeting of the Board, a petition for the proposed incorporation of a general law city to be known as the City of Dominguez, under the provisions of Section 34300 and following of the Government Code of the State of California, said petition setting forth boundaries of said proposed city as approved by the Local Agency Formation Commission, and stating the approximate number of registered voters and inhabitants therein and

WHEREAS, there was attached to said petition the affidavit of four qualified signers stating that the signatures to the petition are genuine; and

WHEREAS, prior to circulation of the said petition, the proposal for the incorporation of the said proposed city was submitted and reported upon to proponents by the Local Agency Formation Commission with respect to the definiteness and certainty of the proposed boundaries, and the said Commission on June 28, 1967, did approve modified boundaries; and

WHEREAS, the territory described in said petition consists of a portion of the County of Los Angeles claimed by the proponents to contain approximately 15,638 registered voters and approximately 57,624 inhabitants; and

WHEREAS, upon presentation of said petition said Board adopted an order instructing the Clerk of the Board to ascertain the sufficiency of the said petition and report to the Board of Supervisors thereon within thirty days; and

WHEREAS, on September 26, 1967, the said Clerk of the Board reported to said Board that the said petition accurately describes the boundaries of the proposed city and is signed by more than twenty-five per cent of the owners in fee, or purchasers under written agreement to buy, of land situated within the limits of the proposed incorporation, representing more than twenty-five per cent of the assessed value of the land included in the proposed city limits, as such value is shown on the last equalized assessment roll of the County of Los Angeles; and

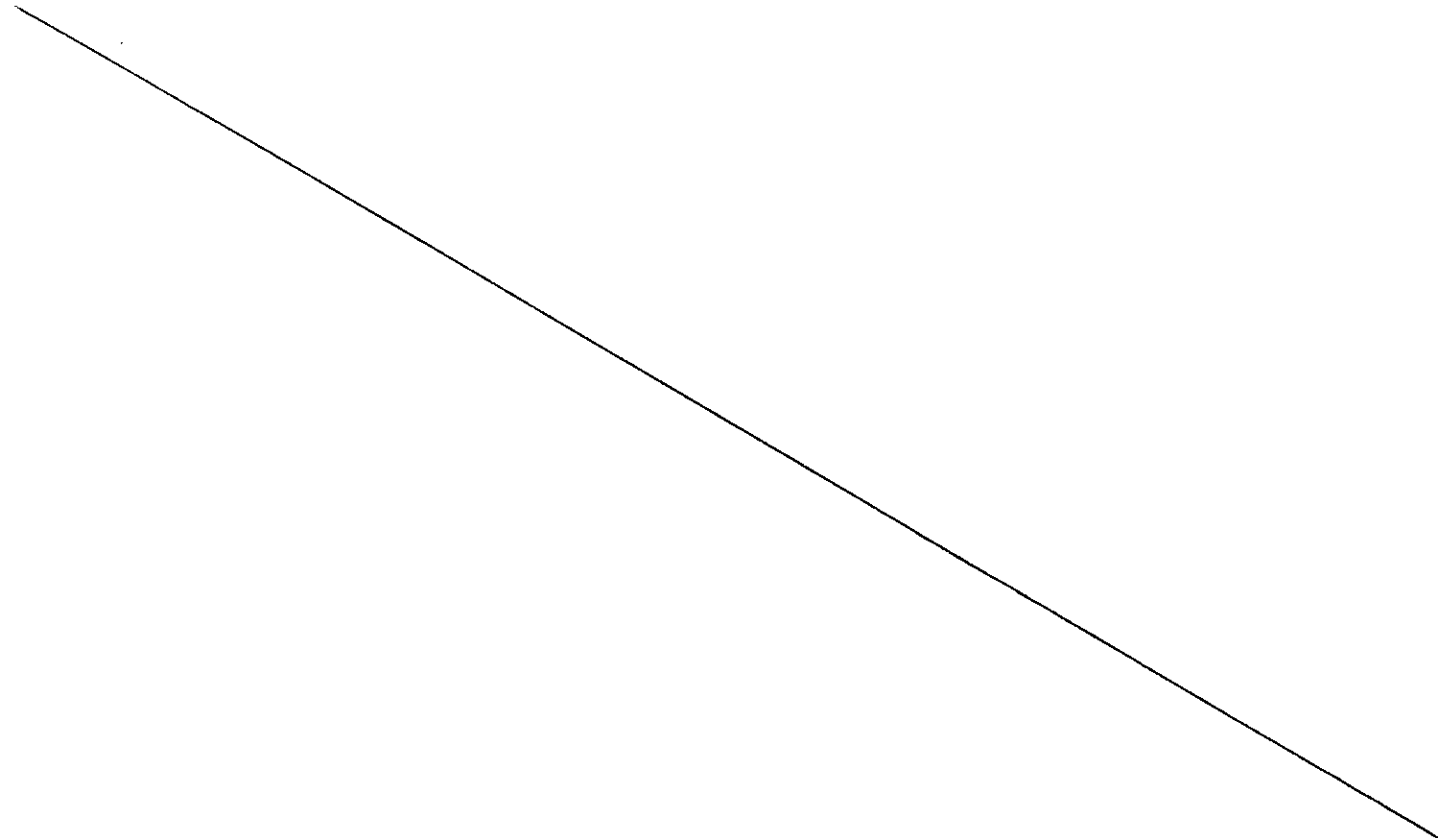

February 13, 1968

WHEREAS, said Board on September 26, 1967, did adopt an order finding said petition to be signed by the requisite number of qualified signers and to describe correctly the boundaries of the proposed city; directing the Clerk of the Board to accept the amount of \$700.00 fixed by the Board to defray the cost of publication of the notice of hearing and notice of election; and finding that the Clerk of the Board has received said amount of money necessary to defray the cost of said publication; and

WHEREAS, at the meeting on September 26, 1967, the Board of Supervisors did make an order fixing the time for hearing on said petition, which time was fixed as the 26th day of October, 1967, at the hour of 10:00 o'clock a.m. on said day, and directing said Clerk to cause notice of said hearing to be published as required by law before said day of hearing in newspapers of general circulation printed and published in said County; and

WHEREAS, on October 26, 1967, said petition came on for hearing and said Board adopted an order that the name "City of Carson" be placed on the ballot as an alternate name for said proposed incorporation, and continued said hearing to the 16th day of November, 1967; and

WHEREAS, on November 16, 1967, after said continued hearing said Board did adopt an order closing the hearing, finding and determining that protests to the proposed incorporation filed with said Board signed by qualified signers represent less than 51 per cent of the total assessed valuation of the land within the boundaries of the proposed incorporation, setting boundaries of the proposed incorporation as approved by the Local Agency Formation Commission on June 28, 1967, determining that in excess of 15,853 registered voters reside within the said boundaries, and accepting the proposal that the name "City of Carson" be submitted to the electors as an alternate to the name "City of Dominguez" for the proposed city; and did adopt an order that an election be called for the 6th day of February, 1968, to be held in the area proposed for incorporation, for the purpose of determining whether said territory should become incorporated as a general law city, and, if incorporated, whether said city shall be known as the City of Dominguez or the City of Carson, and for the purpose of electing City Councilmen, City Clerk and City Treasurer; and thereafter did give due legal notice thereof in the manner and for the length of time required by law, and said notice did accurately describe the boundaries of said proposed incorporation as set forth by said Board of Supervisors, which boundaries are described as follows:

Attention Mr. James S. Mize
Executive Officer

Gentlemen:

CITY OF DOMINGUEZ PROPOSED INCORPORATION

In compliance with your request of February 1, 1967, we have reviewed the submitted legal description of the boundaries of this proposal for incorporation of territory and report as follows:

1. The boundaries conform with record lines and existing city boundaries.
2. This proposed incorporation overlaps the proposed "Dominguez Addition No. 6" to the City of Los Angeles, the proposed "Annexation District No. 155" to the City of Compton, the proposed "Increment 207" to the City of Long Beach and a portion of the proposed "Increment 204" to the City of Long Beach.
3. No corridor of unincorporated territory is created by the boundaries.
4. This proposal divides an existing island of unincorporated territory into two islands, one of which is a portion of the proposed "Increment 204" to the City of Long Beach.
5. The legal description as submitted requires revision.
6. Because of item 5 above, we have prepared the enclosed revised description which can be
